BILLING SOLUTIONS

REVOLUTIONIZING YOUR BILLING MANAGEMENT
ENSURING REVENUE RECOGNITION WITH ZERO LEAKAGES

Infozech's billing solution covers Rental, Energy, and Fiber billing. There are complex charges outlined in Master Service and Lease Agreements, resulting in up to 3-5% underbilling. iBill allows for seamless contract and MLA/MSA configuration, integrates with power systems for energy data, and provides historical data analysis to handle disputes efficiently.

With its configurable and scalable features, it enhances billing accuracy, leading to revenue assurance. Customers benefit from reduced billing time, increased revenue realization, significantly reduced disputes, improved data compliance, streamlined processes, and fewer audit findings, making it an indispensable software in tower billing management.

Infozech's transformative approach towards lease management digitizes leases, eliminating paper trail and ensuring compliance with IFRS 16.
